

# Wallet a Dollar and Existence of God

*Student copy*

## **Part One: What Reason is There to Believe God Exists?**

**Q:** Why does the speaker say he is a Christian?

**Q:** What is Theism?

**Q:** What is Christian Theism?

**Q:** How did the dollar bill get in the wallet?' Answer that question without going OUTSIDE the wallet for an answer

**Q:** What is important to note about a dollar bill?

**Q:** What do the markings on a dollar bill convey?

**Q:** Information is evidence of what?

**Q:** How could the dollar get in the wallet if it wasn't placed in there by someone or something OUTSIDE the wallet?

**Q:** What are the only Two options to answer how the dollar got in the wallet?

**Q:** What two choices do we have about how life began in the universe?

**Q:** What has Science told us about matter and the Universe?

**Q:** What is the term Scientists use to describe the beginning of the Universe?

**Q:** If the Universe had a beginning, what does this tell us?

**Q:** What does the speaker say is the most satisfying answer for how a highly designed object appears within the wallet

**Q:** Why does the speaker believe that THEISM is true?

## **Step Two: What Kind of God Exists?**

**Q:** Why does the speaker believe that the God who created our universe is a personal being?

**Q:** Why is it that Gravity does not decide to act?

**Q:** The ability to DECIDE whether to act is a characteristic of

**Q:** If the creative cause of the universe is only as old as the universe itself, then we must ask the obvious question,

**Q:** Why does the speaker believe that PERSONAL THEISM is true?

## **Step Three: What Kind of Faith System is Most Reasonable?**

**Q:** What argument does the speaker give for his belief in a God who cares for His creation?

**Q:** “It makes sense that a personal creator God would want his personal creations to understand and strive for the very values that are a reflection of his nature.

**Q:** Our human instinct is to create RULES that we can follow so that we can measure our success and judge how close we are to being ‘Godly’, but does a system of rules actually create a Godly person?”

**Q:** What if you ONLY picked up the wallet because you wanted that dollar? Would your actions still be seen as morally good, or would your greedy motive ruin the nature of the action?

**Q:** What type of people does a rules-based and works-based religious system actually produce?

**Q:** What does the speaker say is a test of true goodness?

**Q:** What do you think? Do you agree?

**Q:** What type of spiritual worldview are truly good people even possible?

**Q:** What religious worldview teaches that Salvation is NOT the result of anything that you can do, but is instead the result of something that has already been done for you by God Himself?

**Q:** What does the Christian Worldview teach?

**Q:** If God doesn’t judge us based on any good deed we might do, how does He judge us?
